

Random Number Guesser

```
const readline = require("readline").createInterface({
  input: process.stdin,
  output: process.stdout,
});

readline.question("Welcome! Please enter a number from 0-10: ", (input) =>
{
  let number = Math.floor(Math.random() * 10);

  if (input == number) {
    console.log("You guessed the number!");
  } else {
    console.log("Not quite! The number was " + number);
  }

  readline.close();
});
```
